Attached are 3 resolutions for review and comment.

One of the resolutions relates to picking a purchaser of the impact aid revenue bonds. That is the most pressing matter, of course.

The other 2 are initial authorizing resolutions for the refunding of the elementary school district bonds and the refunding of the high school district bonds. We thought it would be good to get these in place now so that the districts don't have to take additional action later.

All of the resolutions supersede resolutions previously adopted by the Board.

We understand the packet deadline is tomorrow (or perhaps Thursday) , so your prompt review and comments will be appreciated.
Thanks. Dan
