### **Employment of Staff**

Barb Rains

Based on the evaluation of the Superintendent, it is recommended that the Board approve an extension of her contract. The Board's practice is to first approve the extension of the contract terms without announcing a salary increase and then approve the actual written agreement with the salary increase, etc. at a later date. The standard motion is stated below. Should the Board wish, we could discuss in closed the possibility of extending the contract for more than one year.

### **Recommended Motion:**

“I move that the Board of Education extend the contract of Superintendent Barb Rains amending the termination date of the agreement from June 30, 2016 until June 30, 2017 and to set the goals of the Superintendent in collaboration with the Board and Superintendent to be presented no later than the last meeting in September 2016”
