Chairman Hendricks  
Board of Trustees  
Collin College District  
3452 Spur 399  
McKinney, TX 75069

Dear Chairman Hendricks and Board Members:

It is with very heavy heart that I submit my resignation from the Collin College District Board of Trustees. I ask this become effective June 24, 2014. For personal reasons the time has come that I leave my seat on the board and focus on family and other interests. As a founding board member, I am very proud of the college's growth and development. Also, for the continued vision and support that the Board of Trustees and President Cary Israel have provided for the District. Our faculty, staff and administrators provide excellent instruction and services to our students and to our communities. The quality of teaching and award-winning engagement of Collin College is known locally, nationally and internationally.

It has been my privilege and honor to have served the citizens of Collin County and the constituents of the college district for last 29 years. I wish the very best continued success to the Board of Trustees and everyone associated with the District.

Sincerely yours,
