Good Things:

-Lincoln School is scheduled to begin MAP testing on Tuesday, August 22nd and Thursday, August 24th. We appreciate the help of Paul, Sarah, Angie, and Jenny as the process has slightly changed from years past.

-Meet the Teacher Night was a resounding success at Lincoln School again this year. We had over 90% of parents attend the event. Students were able to meet their teacher and bring in school supplies.

-Lincoln School has welcomed a Pana FACeS classroom for this school year. There are 6 students attending the program.

-Mrs. Holman painted a wall outside of the office reminding students to Be the "I" in Kind. We will utilize the backdrop throughout the year. What an amazing asset Mrs. Holman is for our district!

-Thank you to Korena Smith and Linda Koons for making our building look very clean and welcoming for the 101st year of students in the building.

-Our staff was able to take a tour of the new school building. They were grateful to see the progress up close and enjoyed visualizing all of the "new".
