Our Units for February:

This month our lesson plans included: A unit on baking; we made bread in a bag, read a variety of Laura Numeroff books (ie-If You Give a Moose a Muffin, If you Give a Cat a Cupcake), had a science experiment with flour, sugar and salt, created a solar oven to make s'mores with the help of the sun, learned about the letters Rr and Uu, continue to work with sight words and played a variety of counting and addition games.

The ELDS Strands followed:

- Cog B - Support children to use logic and reasoning
- Social E - Develop social relationships
- Phys A - Develop gross motor skills
- Lang C - Use language for social interaction
- Math A - Understand counting and cardinality
- Science D - Understand physical science

We also had a Valentine's Day Party

Human Capital

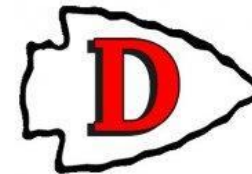

Professional Learning Topics:

- Anxiety Disorders and Autism
 - NAEYC Standards
 - Is it Misbehavior or Just Developmentally - Delayed Behavior?
 - Building Resilience in Vulnerable Children and Families
-

Operations

Indoor Playground

Culture & Climate

The Little Raider University Parent Handbook and the Staff Handbook are both complete and ready for BOE approval. NAEYC Early Learning Program Standards and Criteria were followed as well as Best Practice when developing these handbooks.

Thank you for your time.
