Also many grade levels have fieldtrips planned.

Discipline Incidents for April

April was a good month for TES, we had 51 discipline incidents compared to 64 for April of the 2017-2018 school year.

May PBIS

We are recognizing positive behavior this month with positive office referrals. Students get a sticker to wear that they are being recognized for positive behavior this month and we are making positive contacts with the student's homes so parents/guardians are aware of their student's positive behavior.

Summer School 2019

Summer school registration closed May 1st. We have about 230 students signed up with most classes being filled. There will be a summer school meeting May 14th for summer school teachers. Summer School runs Monday through Friday, June 17-28th.
