RE: Update on Freedom of Information Act requests

DATE: March 19, 2013

The following is the only Freedom of Information Act (FOIA) request the district has received since the last Board of Education meeting on February 26, 2013.

Michael Mazza, a resident of Chicago, submitted a FOIA request via e-mail on March 12, 2013 at 9:34 a.m. in which he asked for “a complete (i.e. with all exhibits and attachments) copy of the current waste and recycling hauling/disposal contract(s) for the Oak Park Elementary School District 97.”

After consulting with Therese O’Neill, the assistant superintendent for finance and operations, and Norm Lane, the director of buildings and grounds, I responded to Mr. Mazza’s request via e-mail on March 13, 2013 at 10:43 a.m. and informed him that there is not contract for these services because the district’s waste and recycling hauling and disposal are handled by the Village of Oak Park.
