

## EXECUTIVE SUMMARY

<b>Meeting Date:</b>	February 5, 2026
<b>Agenda Item:</b>	Superintendent Search Update
<b>Item Type:</b>	Announcements
<b>Administrator:</b>	Board Chair Kendell Ferguson
<b>Objective:</b>	Update the public on the superintendent search process and outline next steps

### **Background:**

The Board convened in executive session on January 27 with McPherson & Jacobson search consultants Steve Lowder and Mike Scott to review the applicant pool, identify finalist candidates, and confirm details for the interview process.

Following the search firm's recommendation, the Board approved a hybrid interview process that includes two stakeholder panel groups. These panels—comprised of parents, students, community members, district staff, and administrators—will participate in confidential interviews with the finalists and provide structured feedback to the Board to inform final decision-making.

### Next Steps:

- February 9–10: Conduct finalist interviews with stakeholder panel groups and the School Board
- February 19: If a final decision has been confirmed, announce the selected superintendent at the regular Board meeting
