Background Information

Robin Pagel, a counselor at RWHS and district assessment coordinator for the district, took on additional responsibilities since February 25th. In particular, she has been dealing with student discipline and other management issues. To compensate her for this additional time, it is proposed to pay her an additional \$9,450 for additional work performed from February 25th until the end of the school year. This is roughly equivalent to 2 overloads over that time period.

Recommendation

I move to authorize payment of \$9,450 to Robin Pagel for additional work completed from February 25th until the end of the school year.
