Staff Development Program

Please also refer to the following current Agreements:

Professional Agreement between Mid-Valley Special Education Cooperative Executive Advisory Board and Mid-Valley Special Education Association-IEA/NEA.

Professional Agreement between Mid-Valley Special Education Cooperative Executive Advisory Board and the Therapy Association for Special Children, IEA/NEA.

The Director or designee shall implement a staff development program. The goal of such program shall be to update and improve the skills and knowledge of staff members in order to achieve and maintain a high level of job performance and satisfaction. Additionally, the development program for certificated staff members shall be designed to effectuate the District and School Improvement Plans so that student learning objectives meet or exceed goals established by the District and State.

The staff development program shall provide, at a minimum, at least once every 2 years, the in-service training of certificated school personnel and administrators on current best practices regarding the identification and treatment of attention deficit disorder and attention deficit hyperactivity disorder, the application of non-aversive behavioral interventions in the school environment, and the use of psychotropic or psychostimulant medication for school-age children.

The staff development program shall provide, at a minimum, once every 2 years, the in-service training of all District staff on educator ethics, teacher-student conduct, and school employee-student conduct.

In addition, the staff development program shall include each of the following:

1. At least, once every 2 years, training of all District staff by a person with expertise on anaphylactic reactions and management.
2. At least every 2 years, an in-service to train school personnel, at a minimum, to understand, provide information and referrals, and address issues pertaining to youth who are parents, expectant parents, or victims of domestic or sexual violence.
3. Training that, at a minimum, provides District staff with a basic knowledge of matters relating to acquired immunodeficiency syndrome (AIDS) and the availability of appropriate sources of counseling and referral.
4. Training for school personnel who work with students in grades 7 through 12 to identify the warning signs of mental illness and suicidal behavior in adolescents and teens along with appropriate intervention and referral techniques.
5. Abused and Neglected Child Reporting Act (ANCRA), School Code, and *Erin's Law* Training as follows:
 - a. Staff development for local school site personnel who work with students in grades kindergarten through 8, in the detection, reporting and prevention of child abuse and neglect (see policy 5:90, *Abused and Neglected Child Reporting*).
 - b. Within one year of employment, each staff member must complete mandated reporter training from a provider or agency with expertise in recognizing and reporting child abuse. Mandated reporter training must be completed again at least every 5 years (see policy 5:90, *Abused and Neglected Child Reporting*).
 - c. Informing educators about the recommendation in the *Erin's Law* Taskforce Report requesting them to attend continuing professional development programs that address

Comment [AKL1]: Policy is rewritten to provide a more accessible list of in-service and trainings that the School Code requires districts to provide, and to add new training requirements. (See numbers 4, 5, and 6.)
