

Executive Summary

Prepared for Board of Trustees Meeting

December 10, 2013

Clarity Bright Bytes Survey

Board Goal:

- I. Remain committed to providing equitable and outstanding opportunities for every student on every campus
- II. Actively pursue, foster and support an advanced digital learning environment
- IV. Foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students

Purpose of Report

- The purpose of this workshop is inform the Board of Trustees regarding our district E-plan, specifically focusing on the BrightBytes Survey that will act as the needs assessment component.

Objectives

- To provide a brief synopsis of the Denton ISD E-Plan
- To provide an overview of the needs assessment process using the Bright Bytes Survey Tool developed by MIT.
- To provide sample question from the Bright Bytes Survey

Operational Impact

- Bright Bytes is free service offered through the Region XI service center.
- Instructional Technology Specialist will be responsible for facilitating student data gathering at each of their campuses.
- Campus and district webmasters will need post and market survey on their respective webpage.

Results

- Bright Bytes will give the Technology Advisory Committee informative data on the current state of technology in DISD and give our district customized recommendations for improvement that will be considered for inclusion in the overall district E-Plan.

Please visit <http://www.brightbytes.net/clarify-for-public-school-2/> for more information regarding the technology survey.
