**Transfer Out: 3**  
**Drop: 24**  
**Transcripts: 24**  
**Referrals: 25**  
**OSS:11**

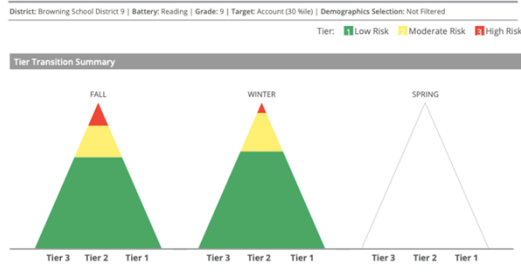

**Staff Attendance 80%**

Certified 82%  
Classified 78%

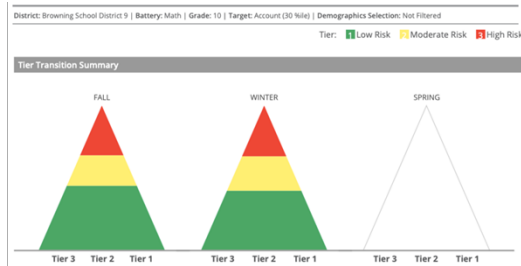

**AimsWeb testing**

Both Ela and Math classes for grades 9 & 10 were assessed for the winter benchmark. We are showing improvement from Fall to Winter. We are also working on getting more students to test.

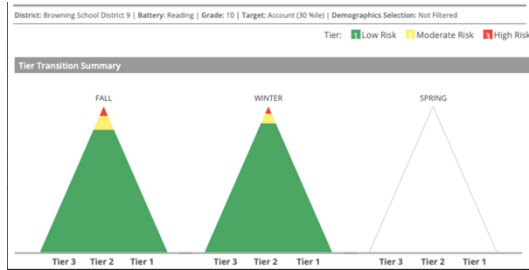

Grade 9 ELA

Grade 10 Math

Grade 10 ELA

**Pre Act, ACT, Mosaic Testing**

We are beginning to plan for upcoming assessments for Pre ACT grade 10, ACT grade 11 and Mosaic grades 9 & 12. The GEAR UP program and BHS SLT are working on the dates, meals, and logistics of who will be testing. We will report back to the board our results in the next report.

**Social Studies Team**

For our Family Engagement night, the Social Studies team created an informational brochure to hand out to parents along with a bag of food. They handed out 150 bags and brochures. They also put their information out to the public via fb and the BHS newsletter.

**Prom Meetings**

The Jr Class has met to review the them, colors and supplies for decorating. They have mapped out their design and will be involving all advisory classes to help with decorations. The Prom theme is The Great Gatsby with the Hollywood theme colors of Red, Black, Gold and Silver. Prom will be April 30, 2022.

**Portfolios, Jostens & Scholarships**

Senior students are feeling the crunch of scholarship deadlines, starting their portfolios, tournament time, and just regular classes. Jostens will be in the district on March 2<sup>nd</sup> to hand out caps and gowns and we are supporting our students with scholarship working sessions, lunch, work space, guidance and deadlines reminders.

We encourage you to see and acknowledge the positives we have going on here at BHS!
