

6115 RECOGNITION OF RELIGIOUS, CULTURAL AND ETHNIC CUSTOMS

The School Board recognizes that the First Amendment to the United States Constitution provides for the separation of church and state. Within limits defined by the United States Supreme Court, government is neither to advance nor inhibit religion(s).

Public School K-12 music education will reflect the diverse secular, religious, cultural, and ethnic traditions of American society. Therefore, to assist educators in deciding the appropriateness of studying, creating, and performing music from a wide variety of these traditions, regulation 6115R is provided.
