Memorandum Item 12c

FOR: School Board Members
FROM: Chris Reitan
DATE: May 22, 2024
SUBJECT: CHS Course Catalog

During the spring semester CHS has been working with staff members to update the high school course catalog to ensure the courses offered at Craig High School align with our graduation requirements, have been vetted for Alaska Performance Scholarship (APS) requirements, provide an accurate accounting of our current high school course offerings, and also meets NCAA approval, where appropriate. The Craig High School Course Catalog provides an outline for the high school's instructional program and specific information about all of the courses offered so that our students and their parents/guardians have a solid understanding about what to expect with each course offering.

Suggested Motion: Move to approve the CHS Course Catalog as presented.
