

Principal Letter of Recommendation

To: Board of Education, Superintendent Pat Little
From: Principal Mike Amabile
Re: Hiring Samatha Bricker-Barre

I recommend that the district hire Samatha BrickerBarr as our newest elementary teacher at BCES. Samantha comes to our district after interviewing extremely well with our committee, which was comprised of three teachers and myself. Samantha's references were very helpful in understanding the quality she will bring to our 1st grade team.

Samantha will start on the step BA-8 when she starts teaching in the fall.

It is always nice to hire an alumnus to return to Boyne City; we are excited to welcome her back home.

Sincerely,
Mike Amabile
