

**GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: February 7, 2012

TITLE: Approval to Sell or Dispose of Equipment Using Other Disposal Methods

BACKGROUND:

Arizona Administrative Code R7-2-1131 provides that surplus materials shall be offered through competitive sealed bids, public auction, established markets, trade-in, posted prices or state surplus property. If unusual circumstances render the above methods impractical, the school district may employ other disposition methods, including appraisal or barter, provided the school district makes a determination that such procedure is advantageous to the school district.

With Governing Board approval the Administration will attempt to trade in used school buses towards the purchase of new buses. If an advantageous trade cannot be secured, the district will attempt to utilize other markets or public auctions to dispose of the used school buses.

RECOMMENDATION:

The Administration recommends that the Governing Board authorize the Administration to make a determination that the disposal is advantageous to the district and disposal of used school buses through trade-in or established markets. The Administration also recommends that the Governing Board authorize Administration to sell the buses at public auction if trade-in or established markets are not advantageous to the district.
