Re: Lexia Amendment

The Teaching and Learning department annually purchases materials, digital licenses, and instructional professional development in support of the approved Rock Island-Milan School District curriculum. The digital components include online teacher and/or student access to the curriculum as well as intervention materials for math, reading, and science.

RIMSD 41 utilizes the Lexia Learning Systems as a supplemental online reading resource for students in grades 3–5. The original purchase amount for the 2025–2026 school year was **\$47,250.00**. To meet the needs of an increased number of EL students in select EL support courses at the secondary levels, an amendment to the original purchase limit is requested to include additional Lexia *English* student licenses not to exceed \$10,000. This amendment would bring the revised total purchase amount to **\$57,250.00**.

It is recommended that the Board of Education approve the purchase of curriculum materials and digital licenses, including the additional student licenses, for a revised total cost of **\$57,250.00** from Lexia Learning Systems, LLC, 300 Baker Avenue, Suite 202, Concord, MA 01742.

Investment Period: July 1, 2025 - June 30, 2026
Total Investment: \$57,250.00
