

**BOARD OF EDUCATION
BEEVILLE INDEPENDENT SCHOOL DISTRICT**

Date: October 21, 2008

**Subject: Application for Missed
Instructional Days**

**Submitted By: Nancy Jones
Related Pages: None**

CONSENT AGENDA

BACKGROUND INFORMATION: Beeville ISD closed school on September 11 and 12, 2008, due to the threat of Hurricane Ike. Through meetings with county and city officials, it was decided to close the school district for those days. The state allows school districts to apply for a waiver from having to make up days lost due to hurricanes. The district does not lose the Average Daily Attendance (ADA) for those days and the students and teachers do not have to make them up. The District Education Improvement Council has already reviewed and approved the waiver and approval of the board of trustees is needed before sending the waiver to the Texas Education Agency.
