616 SCHOOL DISTRICT SYSTEM ACCOUNTABILITY

I. PURPOSE

The purpose of this policy is to focus public education strategies on a process which promotes higher academic achievement for all students and ensures broad-based community participation in decisions regarding the implementation of the Minnesota Academic Standards and federal law.

II. GENERAL STATEMENT OF POLICY

The school district will establish a system to implement the Minnesota Academic Standards and review and improve instruction, curriculum, and assessment which will include input by students, parents or guardians, and local community members. The school district will be accountable to the public and the state through annual reporting.

III. DEFINITIONS

- A. “Credit” means a student’s successful completion of one semester of study or a student’s mastery of the applicable subject matter, as determined by the school district.
- B. “Graduation Standards” means the credit requirements and Minnesota Academic Standards that school districts must offer and certify that students complete to be eligible for a high school diploma.
- C. “World’s best workforce” means striving to: meet school readiness goals; have all third grade students achieve grade-level literacy; close the academic achievement gap among all racial and ethnic groups of students, between students living in poverty and students not living in poverty, between English language learners and non-English language learners, between students who receive or do not receive special education; have all students attain career and college readiness before graduating from high school; and have all students graduate from high school.

IV. ESTABLISHMENT OF GOALS; IMPLEMENTATION; EVALUATION AND REPORTING

A. School District Goals

- 1. The school board has established school district-wide goals which provide

broad direction for the school district. Incorporated in these goals are the graduation and education standards contained in the Minnesota Academic Standards and federal law. The broad goals shall be reviewed annually and approved by the school board.

2. The improvement goals should address recommendations identified through the district continuous improvement process. The school district's goal setting process will include consideration of individual site goals. School district goals will be developed through the district's continuous improvement process.
3. The district's continuous improvement process will ensure:
 - a. The evaluation of students' progress and the identification of the strengths and weaknesses of instruction and curriculum affecting students' progress;
 - b. A plan for improving instruction and curriculum; and
 - c. An instruction plan that includes educational effectiveness processes integrating instruction, curriculum, assessment, and technology.

B. System for Reviewing All Instruction and Curriculum. Incorporated in the process will be analysis of the school district's progress toward implementation of the Minnesota Academic Standards. Instruction and curriculum shall be reviewed and evaluated by taking into account strategies and best practices, student outcomes, principal evaluations under Minn. Stat. § 123B.147, Subd. 3, and teacher evaluations under Minn. Stat. § 122A.40, Subd. 8, or 122A.41, Subd. 5.

C. Advisory Committee (Student Achievement and Systems Improvement Advisory Committee - SASIAC)

1. By November 1 of each year, the advisory committee will meet to advise and assist the school district in the implementation of the school district system accountability and continuous improvement process.
2. The Student Achievement and Systems Improvement Advisory Committee (SASIAC), working in cooperation with other committees of the school district, will provide active community participation in:
 - a. Reviewing the school district instructional and curriculum plan, with emphasis on implementing the Minnesota Academic Standards;
 - b. Identifying annual instruction and curriculum improvement goals for recommendation to the school board;

- c. Making recommendations that will be used to measure school district progress toward its goals;
 3. The committee shall meet the following criteria:
 - a. SASIAC shall ensure active community participation in planning for instruction and curriculum affecting achievement.
 - b. SASIAC shall give input to the school board on school district-wide standards, assessments, and program evaluation.
 4. The committee shall, when possible, be comprised of two-thirds community representatives and shall reflect the diversity of the community. Included in its membership should be:
 - a. Director of Curriculum, Instruction, and Assessment
 - b. School Improvement and Student Achievement Coordinator
 - c. School Board Member
 - d. Student Representative
 - e. Teacher representative from elementary and secondary
 - f. One parent from each building or a minimum of one parent from each instructional level
 5. The committee shall meet four times annually.
 6. Committee members will be nominated by their building principal in consultation with the PTO (Parent Teacher Organization) or other equivalent parent organization.
 7. Term of Office
 - a. Committee representatives will serve up to two years.
 - b. Members may be reappointed to serve no more than one additional two-year term if there is difficulty recruiting a representative.
- D. Reporting. Consistent with Minn. Stat. § 120B.36, Subd. 1, the school board shall

publish the World's Best Workforce report on the school district website. The school board shall hold an annual public meeting to review and revise, where appropriate, student achievement goals, local assessment outcomes, plans, strategies, and practices for improving curriculum and instruction and cultural competency and efforts to equitably distribute diverse, effective, experienced, and in-field teachers, and to review school district success in realizing the previously adopted student achievement goals and related benchmarks and the improvement plans leading to the world's best workforce. The school board must transmit an electronic summary of its report to the Commissioner in the form and manner the Commissioner determines. The school district shall periodically survey affected constituencies about their connection to and level of satisfaction with school. The school district shall include the results of this evaluation in its summary report to the Commissioner.
