Browning Public Schools,

Please accept this as my official resignation from the Good Medicine Program and Browning Public Schools. My last day of employment will be June 17th of this academic year, per my current employee contract.

It has been such an honor and privilege to work with the Good Medicine Program, as well as Browning Public Schools to help meet the needs of our students and provide increased access to mental health services. I would like to extend my gratitude to such a supportive program and district, that has prioritized our students' health and wellness in our system.

Although I have enjoyed my time providing direct services to students at Browning High School, I am leaving the district due to my upcoming position as President of the Blackfeet Community College.

Thank you for the opportunity and I look forward to a wonderful partnership between Browning Public Schools and the Blackfeet Community College.

Best,

Karla Bird
