Re: Republic Services Agreement Approval

The District currently has no active contract for garbage and recycling pickup across the properties. At this time we are on a month to month agreement with Republic Services, 6449 Valley Drive, Bettendorf, Iowa at a cost of \$15,200/Month supplying garbage, recycle, and rolloff services with varying pickups based on the needs of each school.

To remain compliant with Board policy and State Code, the District will solicit price listings for these services in late winter. In the interim, Board approval is required for the use of services not exceeding an additional \$125,000 for the remainder of fiscal year 24-25. This would bring the total of FY25 to \$205,000.

Investment Period: FY25
Total Investment: \$205,000
Funding Source: District Funds/Operations and Maintenance Department
