2014-15 Proposed Program Improvement

1304.21 Education and Early Childhood Development

Proposed Program Improvements: Proposed improvements based on child assessment data, community assessment, and self-assessment)

- Continue to develop enrichment opportunities for 3 and 4 year old students
- Continue to increase individualization for students with potential delays
- Continue to evaluate need for curriculum materials
- Continue to improve campus-wide CLASS implementation
- Continue to include new field trip opportunities
- Continue to improve program opportunities for enrichment and academic support
- Increase parent participation in meaningful classroom activities
- Make parents aware of the curriculum committee opportunity during orientation and the ICARE meetings
- Correct the scope and sequence to address the phonological awareness needs of 3 year olds
- Investigate new assessments and align them with the progress report and the curriculum
- Have coaching staff trained in CLASS and Instructional Support
