**Good Things at PHS:**

Test preparation is in full swing at the high school. 9th-11th grade students are prepping 3 days a week.

The Girls Basketball team placed third at the state tourney.

Spring sports are underway and the first contests have taken place.

**Other news:**

Students have submitted their course selections and the scheduling process is underway.

The Science Assessment will take place on March 30th. We will test all juniors at one time in the morning.

The Panthers on Stage Variety Show will be April 2nd at 7:00pm.

The PSAT and SAT tests are scheduled for April 13th. All 9th - 11th grade students will test.

The National Honor Society banquet will be April 27th at 5:00pm.

Parent/Teacher Conferences were scarcely attended; however, our teachers used the time to contact parents by phone.

We continue to collaborate with the teachers to organize the implementation of the RtI. We have established our benchmarking process, skill plan development, interventions and progress monitoring procedures. The School Improvement Team continues to meet to fine tune details for implementation.

CKH at the high school is moving forward. Our site visit with Shawna Beckerman went well. We still have work to do, but she did see and comment on improvement. The cohorts are meeting monthly to share ideas.
