---

### Board Goal

- I. Vision
  - develop and maintain a culture where learning remains our first priority

### Purpose of Report

Describe the campus specific attendance data for end of year 2013/2014.

Data shows the number of court cases for the following:

- Violations of Court Orders (VOCO)
- Non Attendance Referral Forms (NARF)
- Cases that were nullified at the bench (NULL)

Data shows the number of court orders for each:

- Fines for Contributing to Non-attendance
- Participation in Truancy Class and Attendance Parolee Initiative (API)

Data shows the number of warning letters sent to parents/guardians:

- Attendance Office Warning Letters
- School initiated Warning Letters

### Objectives

To analyze the district data on absenteeism as it pertains to various interventions (Elementary and Middle School).

### Operational Impact

Absenteeism negatively affects academic achievement, standardized test scores, achievement gaps as well as graduation and dropouts rates.

### Results

Create a program at the pre-k and kindergarten level to address the importance for good attendance and assist in effective parenting skills for parents of young children.
