### **SUMMARY:**

Each year, the Kootenai Tribe generously donates to our school district. This year the donation is in the amount of \$3000. Since the inception of the Lakeland Education Foundation (LEF), the LJSD School Board has donated these funds to the LEF to support its mission of supporting teachers and students through mini-grants and scholarships, respectively.

### **Superintendent's Recommendation**

The Superintendent recommends that we donate these funds to the LEF to support teachers and students.
