

Activities Director Report- Frank Bartsch
10/24/25

Fall sports are entering the playoffs this week. Our volleyball team is the #2 seed in the Section 7 playoffs and will potentially host two home games [which will be played prior to you reading this report (10/22 and 10/24)]. The varsity football team (four of our 8th graders are dressing for the playoffs!) is the #1 seed in Section 5 and will host a game on Saturday, 10/25. Both teams have the potential to go to state.

All games scheduled for this fall and winter are live on our website schedule. There have been a few changes due to other schools needing to move dates for various reasons, but we still have 24 games for both the boys' and girls' basketball teams with no overlap. The girls will kick off the season on 11/21 at the Greenway/Nashwauk cooperative in Nashwauk's new gym. The boys will kick off at home vs Cromwell on 12/2. Each team has been scheduled for 24 games.

I was able to find another team for our home volleyball tournament next season, which will keep us at 8 teams. Roseau has asked to participate.

Neither South Ridge nor Cromwell will be able to coop with our golf team, per their AD's. They will continue to talk to admin to express the opportunity.

We are always in need of people to take tickets at games, so please pass the word around.

As always, if you see any issues that need to be brought to my attention or have topics you would like me to include in my monthly reports, please let me know via email at fbartsch@isd698.org or phone at 218.269.9207. The same goes for any questions you may have.

Go Bears!

Thank you,

Frank Bartsch
