**Re: Application for Early Release Waivers**

According to TEA “a school district may apply to the commissioner for a waiver of a requirement, restriction, or prohibition imposed in the Texas Education Code 7.056 or rule of the board or commissioner. A school campus or district seeking a waiver must submit a written application to the commissioner.”

CISD is submitting an Early Release Waiver for the remainder of the 2014 school year, as well as the dates listed on the approved 2014-2015 and 2015-2016 school years. These early release dates can be used for teacher collaboration or planning, to conduct parent conferences, release prior to a holiday or local school related activities.
