Kindergarten and 1st Grade Age Eligibility

Students must be age 5 *before September 1st* to be eligible for Kindergarten. Students age 5 *on or after September 1st* will not be eligible for Kindergarten (**see exception below*) and the Enrollment Coordinator shall contact the parent/guardian and inform them that their student's registration will be held for the next Kindergarten lottery (the following year).

Kindergarten

A parent/guardian may voluntarily retain their eligible student from entering Kindergarten and request the Enrollment Coordinator to hold their student's Application Form for the next school year *to be placed in the general lottery*. *If a parent/guardian considers their underage student to be ready for school and they do not meet the requirements above, the following conditions must be met:

1. The student must turn age 5 before October 1.
2. Proof of Kindergarten Readiness from Early Childhood Screening must be presented. Additional assessment may be provided and required to confirm results.
3. A meeting must be held between administration, the Kindergarten teacher, the parent/guardian and the student
4. Unanimous approval by the Administrator and the Kindergarten teacher must be obtained
5. An Early Admittance to Kindergarten Application must be completed and submitted along with the standard Kindergarten enrollment Application by June 1.
6. A letter of recommendation must be received from a preschool teacher or other group setting instructor.
7. A birth certificate must be attached to the Application.

Crosslake Community School (CCS) shall enroll an eligible pupil who submits a timely application, unless the number of applications exceeds the capacity of a program, class, or grade level. In this case, students must be accepted by a lot. CCS has a Lottery Procedure that it uses when accepting students by lot.

CCS has published the Kindergarten/1st Grade Early Admittance on the CCS website.

Note: A parent/guardian wishing to enroll their kindergartner at CCS during the school year from another school district that does not have identical entrance requirements may be enrolled at CCS to continue their education.

1st Grade

In order to be eligible to enroll at CCCS in 1st grade, a student must be age 6 by September 1st of that school year. *Note: Any student admitted under the early entrance into kindergarten at CCS is eligible under this guideline to enter 1st grade with satisfactory completion of kindergarten requirements.*
