Map Testing at the High School:

Celebration: 35 total students tested out of Rtl! We believe our system of supports (MTSS), concentration on differentiation of instruction and incentives led to these improvements

This will allow for smaller Rtl classes and more one-on-one instruction for those students who are still struggling.

The English and Math Departments have been analyzing the data to identify and build upon strengths and evaluate the causation of our areas of needed improvement. We are evaluating our scope and sequence, curriculum and instructional methods.

Mrs. Livingston hosted a Senior Bootcamp. The seniors received information from various visitors on college admissions and several other sources about preparing for life after high school.

The PHS Band and senior athletes visited PES and St. Pats. The band played 4 songs for the students and the athletes spoke about their favorite classes.

Students and parents believe teachers strive to provide ambitious instruction at PHS. The results of the 5 Essentials Survey indicated a strong community perception of the instruction at Pana High School.

The Aug/September First National Bank Senior-of-the-Month: Addison Blackwell

Peoples Bank Radio Students of the Month:
