PRESSPlus 1. This policy is suggested to be reviewed by the Board. According to policy 2:240, *Board Policy Development*, "[t]he Board will periodically review its policies for relevancy, monitor its policies for effectiveness, and consider whether any modifications are required." IASB suggests that each policy in the Board's policy manual be reviewed at a minimum of every five years. As part of the review, the Board may choose to:

- Compare the adopted version to the current PRESS sample (available at PRESS Online by logging in at [www.iasb.com](http://www.iasb.com)), discussing any differences and/or options noted in the footnotes to determine whether local changes are necessary
- Update the policy language due to changes in local conditions

- Make no changes, but update the adoption date to reflect that the policy has been reviewed and re-adopted
