## **Discussion of Service Provider Contracts:**

Each year, the administration makes recommendations to the Board of Education regarding our major contracts, namely:

Student transportation services with First Student  
Cleaning services with GCA  
Food services with Just A Dash Catering  
Audit services with Miller, Cooper & Co., Ltd

### **Student Transportation**

First Student was awarded the bid contract when we bid the transportation services in April 2008. We extended the contract for an additional two years in 2011-2012 and subsequently for an additional year thereafter. The administration recommends that the contract be extended for the 2020-2021 school year. The rates for 2020-2021 will be available by May 2020.

### **Cleaning**

GCA has provided excellent service at competitive rates for the past 20 years. The administration recommends continuing with the same cleaning service for the 2020-2021 school year. We will know the 2020-2021 rates by May 2020.

### **Food Service**

The District sent out bid packages for food service and milk to various vendors on March 8, 2017. Just A Dash was the only bidder and was awarded the bid for the school year 2017-2018 with options to renew yearly for the next four years. The administration recommends that the contract be extended for the 2020-2021 school year. The costs per meal will be available by May 2020.

### **Auditing Services**

Miller Cooper & Co., Ltd. was awarded the bid when the district bid for auditing services in February 2014. Miller Cooper has always done a very thorough job auditing our financials and has always been a great resource to the business office. The Board considers it best practice to rotate auditing firms every five years therefore, the administration recommends going out to bid for auditing services. Fees for auditing services will be available after the bid.
