- 4-E.2

Rationale for Waiver

The school will offer a comprehensive guidance program but request the waiver for flexibility on hiring a certified guidance counselor. The school will contract with a counseling center to provide the support required for implementation of the program. The school will work closely with the counseling center through the Culture Coordinator and school administration who will ensure implementation of the required standards are met. The school will implement intervention strategies that cultivate a positive culture and climate among students and provide services to families.
