

UNITED TOWNSHIP

HIGH SCHOOL DISTRICT 30

TO: Board of Education
FROM: Dr. Jay Morrow
DATE: June 4, 2025
RE: Iowa Jobs for America's Graduates (iJAG) MOU

As you may recall, United Township has partnered with Iowa Jobs for America's Graduates (iJAG) for 15 years to provide additional programming and classroom experience for our students. We currently have a junior/senior program at UTEC and a freshman/sophomore program at UT.

Two memorandum of understanding (MOU) are attached for consideration and recommended approval. These agreements cover the 2025-26 school year.

In a related note, we have written a United Way grant for many years to help offset the local iJAG costs. I am happy to report we received a \$25,000 grant to help reduce District costs for FY26.
