

November 5, 2025

Dear Mr. Peters and Bridgman School Board,

I learned recently that my wife is pregnant with our third child. The baby is due February 16. With this knowledge, I am requesting to use some of my sick days to help my wife take care of the new baby along with our two toddlers. I would like to start my leave February 16 and return April 6 (which I think adds up to 28 sick days not counting February 16 and March 27-April 3 which are scheduled off days for the school). Let me know if there is anything else I need to do. Thank you!

Sincerely,

Scott Christy
