**Budget Amendment Narrative**

There are no Budget Amendments to be presented for the June 19, 2019 Board Meeting.

The Revised Proposed April Budget and Revenue Amendments for the General Fund Tax Bond Subsidy is reflecting the Actual Revenue of \$518,714 previously presented. The \$518,714 is already included in the Estimated Revenue, therefore the previously reported Total Revenue was overstated by \$518,714. With this update, the corrected Net (Revenues Less Expenditures) is \$3,923,395.
