Subject:

Consider Approval of Expenditure with ILA-Region 5 SETX Vendor ClassLink

Background:

In April 2025, the Board approved the renewed for the final year of Contract 2021.544 for Single Sign-On (SSO) services with ClassLink. This five-year contract is set to expire on May 31, 2026. Since the original contract award, the District has transitioned to a platform that incorporates both ClassLink and Identity Automation through RapidIdentity, with both systems working together to provide comprehensive identity management, rostering, and SSO solutions for educational institutions. Rather than rebidding this contract, ClassLink services are available through the Region 5 SETX Purchasing Cooperative, which includes the SSO Portal, Classlink Analytics Plus, and Roster Server for systems like online textbooks. To date, \$110,082 of the approved contract value of \$111,000 has been encumbered. An annual contract purchased through Region 5 will cost \$125,000. It is the recommendation of the Chief Technology Officer and the Director of Purchasing to approve authorization for expenditures with ClassLink in the amount of \$125,000, extending services through May 31, 2027.
