Dear Laura Kitaeff,

This letter is in response to your Freedom of Information (“FOIA”) request to Pleasantdale School District 107 dated June 24, 2025. Specifically, you requested that the District provide you with the following information.

1. “All internal reports, emails, written statements, or other documentation submitted by teachers or staff regarding the professional conduct, decisions, or handling of incidents involving Almir Emso and/or Kathleen Tomei;
2. Records indicating:
  - The date and time of each submission;
  - The general nature of the concern or complaint;
  - The recipient(s) of the report or communication;
  - Any follow-up communications or investigations generated as a result;
3. This request does **not pertain to student records**, and any references to student names or identifying details may be redacted to ensure compliance with the Illinois School Student Records Act.

To be clear, this request seeks **employee-to-employee communications or documentation** specifically about workplace or professional concerns—not student disciplinary or academic records. As such, ISSRA should not apply to this request.”

The District conducted a search for records responsive to your request; however, no responsive records were found.

If you have any questions or concerns related to this response, please contact me.

Respectfully,

Griffin Sonntag  
Pleasantdale School District 107 FOIA Officer
