

WEST BONNER
INNOVATE ACADEMY

HOME LEARNING NETWORK

Looking to launch in fall
2025.

9-12 ACCREDITED ONLINE SCHOOL

More information will be
provided in May 2025.

WORKFORCE LEARNING

In development and
currently seeking
interested partnerships.

EMPOWERING PARENTS. SUPPORTING STUDENTS.

PREPARED BY:
WBCSD ADMIN TEAM

DATE
APRIL 16, 2025

WHAT IS THE HOME LEARNING NETWORK?

- ✓ The West Bonner Home Learning Network is the District's first, District-Supported Homeschool Program—where flexibility meets enrichment, and every family's learning journey is uniquely supported.
- ✓ Imagine a learning experience where you, *the parent*, have the power and freedom to shape your child's education, while being supported every step of the way by experienced, credentialed teachers and a community of like-minded families.

MISSION

To support, enrich, and partner with homeschooling families while honoring their autonomy in educating their children.

VISION

All students are inspired to grow academically, socially, and personally—while honoring the unique values, routines, and freedoms of home-based learning through strong partnerships.

WHAT IS OVERTURE?

- ✓ A K-8 Idaho-based distance education program providing support, curriculum, and resources to homeschooling families.
- ✓ In connection with a public school, we provide reimbursements for educational expenses allowing you more opportunities to orchestrate the ideal learning environment for your family.

OVERTURE'S VIEW ON PARENT PARTNERSHIP

- ✓ Overture prioritizes partnership with families through a mindset of **"inspire, not require."**
- ✓ Emphasizes family-style learning and **supports parents as the primary educators** with curriculum choice, regular teacher support, and access to educational resources.
- ✓ Builds **relationships over compliance**, using tools like portfolios, skills checklists, and weekly check-ins to track progress and meet state standards.

OVERTURE LEARNING PLAN

- ✓ Each family is assigned a mentor teacher
- ✓ Customized Learning Plans developed with support from your mentor teacher
- ✓ Ability to choose curriculum, tools, and resources to individualize your child's educational experience
- ✓ In person or virtual elective options available for all homeschool students
- ✓ Weekly check-ins with mentor teacher
- ✓ Regular field trips and outings organized for families to attend
- ✓ Online classes and Resources
 - Math class provided 4 days a week
 - ISAT Prep
 - Daily phonics classes
 - Access to online software
 - Virtual Electives

REIMBURSEMENT

- ✓ Families receive reimbursements for approved items purchased.
- ✓ Each 1st-8th Grade student has an allotment of \$1,700* for the school year.
- ✓ Each Kindergarten student has an allotment of \$750 for the school year.
- ✓ Possibilities include: curriculum, internet, activities, field trips, classes, academic tutoring, lessons for elective activities (music, art, P.E., drama, life-skills), and technology purchases (computers, printers, tablets, etc.).

EASE OF REIMBURSEMENT

Simply take a picture of your receipt from your phone or upload the image from your computer. Next, enter some basic information about the expense and click submit! Reimbursements are **processed weekly**.

WBCSD SUPPORTED

✓ **Credentialed Teacher Support**

You're never alone. Our dedicated teachers provide guidance, resources, and regular check-ins to help you stay on track, offer support, and ensure your child's success.

✓ **Enrichment Opportunities**

Join us for hands-on STEAM workshops, engaging field trips, library visits, and collaborative learning experiences that bring education to life and connect families across the district.

✓ **Community & Connection**

Build lasting friendships with other homeschool families through events, workshops, and shared experiences. You'll be part of a supportive, welcoming network that values creativity, curiosity, and connection.

CERTIFIED TEACHER EXPECTATIONS

50% COMMUNICATION

- Communicating with families (newsletters, 4 week plan check-in, etc).
- 1:1 virtual meetings with families weekly.

30% TEACHING

- Teaching and providing academic support through a virtual setting.
- Will teach online 4 hours per week.

20% ACTIVITIES

- Meeting and participating in group activities with assigned families.

OTHER RESPONSIBILITIES

- Support MTSS
- End of the year ISAT & IRI Proctoring
- End of the year reflection with families.

MINIMAL FOOTPRINT

- ✓ Our program is designed to have a minimal impact on district space since most activities will take place online—from students' homes to libraries, community centers, parks, and rec centers.
- ✓ Teachers will work virtually and will not need any classroom or office space within the district.
- ✓ The program will have the option to reserve space within the district as needed for staffing or families.

100% SELF-SUSTAINING PROGRAM

COST

- Overture charges \$2500 per student *60% due in Sept*
- Minimum of TWO certified FTE
- Minimum of .5 FTE administrator

FUNDING

- Students are enrolled within the District under the Self Directed Learner Policy 2470
- Funding is provided by the state based on ADA

ENROLLMENT & STAFFING RATIO

- Up to 200 seats available
- Minimum of 50 students enrolled to have the program
- 50:1 Student to teacher ratio
