To whom it may concern:

First of all I want to thank the administration, coaches and players for the opportunity to coach and help build a better softball program. It has been an honor and a privilege to work with so many outstanding players and supportive administrative staff. With interviews coming up this week, I had the chance to see the excellent candidate pool. There are talented, young energetic people who are eager to coach the sport they love. I feel they deserve a chance to do so. There are also experienced veterans that have demonstrated that they have the desire and ability to be outstanding coaches. It is every coach's goal to leave a program in a better place from when they began and I feel that I have helped build the softball program and I am leaving it way better off than when I began. I have also taken up other teaching duties at the school and I don't feel that I could do justice to either if I tried to do both. So with much thought and confliction I would like to submit this letter as a letter of resignation from my softball coaching duties. Thanks again and best of luck to the softball program!

Sincerely,

Brian Harrell
