

**GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: April 18, 2017

**TITLE: Approval of School Facilities Board (SFB) Grant for: Winifred Harelson
Elementary School Roofing**

BACKGROUND:

On October 3, 2016, Amphitheater Public School District submitted an SFB grant request to evaluate replacement of the roofing and the modification to the HVAC system for the north end of the Fun House. The existing roof over the north end of the Fun House is actively leaking. The built up roof is suspect, but the HVAC equipment is questionable and may be attributing to the leaking conditions. This assessment will include the following:

- a. Assessment of existing built up roof over the stage area at the north end of the Fun House and review of available as-built drawings and reports.
- b. Mechanical Engineer assessment of existing HVAC systems on the roof. Assessment is intended to evaluate the condition of the existing HVAC equipment and evaluate potential modifications to the layout to accommodate reroofing.
- c. Structural Engineer assessment of existing roof structure and review of potential modifications to the HVAC layout to accommodate reroofing.
- d. Prepare estimate of opinion of cost for reroofing and potential modifications to the HVAC layout and roof structure.

Project Information:

Winifred Harelson Elementary School
Project Number: 100210107-1012-020 BRG
Project Scope: Architecture and Engineering
SFB Funding: \$0
SFB Engineering: \$8,992.00
SFB Contingency: \$0
District Funding: \$0
Total SFB Funding: \$8,992.00

RECOMMENDATION:

It is the recommendation of the Administration that the Governing Board executes the attached Terms and Conditions and accepts the Building Renewal Grant for the Roofing and HVAC assessment at Winifred Harelson Elementary School, Project Number 100210107-1012-020 BRG in the amount of \$8,992.00.
