

Memorandum

Date: July 10, 2019

From: Dana Wagner, Ph.D.
Rescue Agency
Principal Investigator of HHSF223201210006I

To: Mario Navarro, Ph.D.
Office of Health Communication and Education, CTP
Project Lead of HHSF223201210006I

Subject: Personal identifiable information (PII) collected from HHSF223201210006I, Developing Brand and Creative Concepts Designed to Prevent AI/AN Youth Tobacco Use

All study subjects' data or information provided to FDA investigators from Rescue will be coded. FDA investigators will not receive coded private information from Rescue to ascertain the identity of the study subjects to whom the coded information pertains. FDA investigators will be unable to ascertain the identity of the subjects to whom the coded information or specimens pertain because the holder of the key and the FDA agree that the key will not be released to the FDA investigators under any circumstance.

Sincerely,

A handwritten signature in black ink that reads 'Dana E. Wagner'.

Dana E. Wagner, Ph.D.
Principal Investigator
Rescue Agency
