Good Morning,

Your requested FOIA information is below.

We have yet another request from a new incident that occurred. Can we have all emails with the keyword "Matt"? This includes all forwarded, sent, and received emails from all staff (including school board) September 1st - November 12th. If this is an undue burden, just let me know.

Emails are attached to this email. The attachment has redacted any emails from staff pertaining directly to student and/or parent data. If you have any questions, please let me know.

Thank you,
Ryan Berry
