Greetings from Glendale,

On behalf of the students and myself, we wish you all a Happy New Year! After a month of practice and a lot of hard work the Christmas program was a huge success. The students did such a wonderful job and I am so very proud of them. Thank you to Rebecca Rappold, Jennifer Wagner, Violet Sinclair, and Jimmy Running Fisher for taking time out of their busy day to attend. Also, an extra special "Thank You" to Jimmy for playing Santa Claus. I know the students and colony members greatly appreciate your presence.

As we return back after the break we will be winding down the 1st half of the academic year. Students will be taking the Aimsweb Winter benchmark assessments and the second MAST testlet. Wishing much happiness to all of you in the New Year!

We had an attendance rate of 94% this month. We have had a lot of activity packed into a short amount of time. The students put on a Christmas play every year. We have been practicing our plays and songs. The students have also been working on Christmas crafts to make our room festive. The older students took it upon themselves to decorate. We were very pleased to hear them talking about how to estimate and measure where they wanted the decorations to go. It seems that they are really using their math.

Our Christmas program went well and was well attended. Thank you for coming Rebecca Rappold, Jen Wagner, Violet Sinclair Boggs, Lester Johnson and Jimmy RunningFisher. A special thank you to "Santa Claus" for his appearance and passing out candy canes to all the colony children.

Have a great holiday season,  
Mrs. Christoferson  
Mrs. Gregoire
