

I move that the Board of Education approve the reviewed closed session minutes, and as required by School Code 5 ILCS 120/2.06, has determined that the need for confidentiality exists for all unreleased minutes, with the exception of:

- August 19, 2024 Item 1
- February 3, 2025 Item 1
- February 11, 2025 Item 1

and that the recordings from the closed session minutes of March 2023 through August 2023 be destroyed.
