Notable Highlights:

We have had 88 very successful school days. We ended our 1st semester with a great assembly. The efforts of all-students, parents, teachers, staff members, administrators, and community members are evident and very much appreciated.

Principal's General Narrative: *We are counting down the days before our 3rd and 4th graders have to demonstrate their academic strengths on the TAKS. I would like to thank our team of teachers for the countless hours they dedicate to education and ensuring that our children are successful.*

Respectfully,
Alma Gutierrez
