RE: Consideration as counsel for Alpena County Probate Court

Greetings,

As you are aware I retired from being Alpena County Probate Judge effective 10/30/21. In addition to my service as Probate Court Judge, my tenure also included 8 years as 26th Circuit Family Court Judge and approximately 7 years as 88th District Court Judge. Prior to my time on the bench, I practiced law for approximately 17 years and was also the regional director for Catholic Human Services for 5 years and covering 11 counties.

I would request to be considered for service to the county as the contracted attorney for Probate Court. My time as lawyer, regional director of a human services agency, and certainly as a jurist offers me a unique opportunity to serve in this capacity.

Too, the firm has four attorneys available under the proposed contract for services, although I would be named as primary attorney.

Please contact me at anytime to discuss the matter further.

Sincerely,

THE WALLACE FIRM, P.C.
