AGENDA ITEM:

Discuss and consider approval for construction of Crenshaw outdoor environmental classroom as outlined in APEX 3 Magnet Grant. Amount not to exceed \$57,500 using Grant funds.

The Crenshaw outdoor classroom would be ideal for environmental studies. All grade levels of students from Kindergarten to 8th grade would use the classroom to gather data about observations that revolves around Environmental Science. Learning would provide authentic experiences every day. This would be one of the most engaging schools around. Students would be learning through hands-on experiences and growing a love for the Environmental Science opportunities of a lifetime. Funding for this project is from APEX 3 Magnet Grant.

RECOMMENDATION:

I move that the Board of Trustees approve the construction of Crenshaw's outdoor classroom using APEX 3 Magnet Grant Funds for an amount not to exceed \$57,500.
