

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: June 8, 2020

AGENDA ITEM: Consider Approval of 2019 Bond Program Elementary School Furniture Replacement, Phase 2 and Furniture for Walsh Elementary School

PRESENTER: Earl Husfeld, Chief Financial Officer

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- 2019 Bond Program furniture purchases:
 - Funds were included in the 2019 Bond Program that provided for the replacement of furniture at Coder Elementary School, Stuard Elementary School, and McCall Elementary School.
 - On January 17, 2020, a 15-member group comprised of Elementary School Principals, Curriculum Specialists, Superintendent, Deputy Superintendent, Assistant Superintendent of Curriculum & Instruction, Director of Construction & Facilities, and Chief Financial Officer visited the showroom of Lone Star Furnishings, LLC (Lone Star). During this visit, it was shared with the group what has changed with school furniture since the District made the Walsh Elementary furniture purchase. The group was also shown samples of current furniture options. Prior to the visit to Lone Star, the staff at Walsh Elementary was provided the opportunity to share what they liked about their classroom furniture and what could be improved upon.
 - Based on the feedback from the Walsh Elementary staff and the 15-member group that visited Lone Star, selections for classroom furniture were chosen for viewing/testing by the staff at each elementary school campus. Starting the week of February 3, and continuing through February 19, these samples were rotated among each of the elementary school campuses so the campus staff could provide their feedback on the selections made.
 - Based on this additional feedback from campus staff, a sub-group of the 15-member group made refinements to the selections of classroom furniture that are presented to you this evening for review and consideration.
 - Phase 1 of the furniture order was presented to you at the March 23, 2020 regular board meeting. The final cost of the Phase 1 furniture replacement was \$1,441,318.60.
 - Phase 2 of the furniture order being presented to you this evening comprises the remainder of the furniture replacement. As we shared with you during the

ALEDO ISD BOARD MEETING TEMPLATE

- March 23 meeting, Phase 2 includes areas such as “specials” classrooms (ESL, Functional Academics, Dyslexia, Kindergarten, etc.) and libraries.
 - The 2019 Bond Program cost of the Phase 2 classroom furniture is \$317,523.01, while the bond cost of the library furniture items is \$41,158.39.
- Walsh Elementary School (Walsh) furniture purchases:
 - To accommodate additional teaching positions added at Walsh for the 2020-2021 school year, some non-classroom spaces are being converted to classrooms for one year and must be furnished with student desks, tables, and chairs.
 - Because Walsh only needs this classroom furniture for the 2020-2021 school year, it was determined the prudent course of action, and cost effective, was to pre-order a small portion of classroom furniture that will ultimately be utilized at Elementary School No. 6 during the 2021-2022 school year (\$37,315.72).
 - This is one example of the benefits of standardizing elementary school classroom furniture throughout the District.
- General Fund 199 furniture purchases:
 - The final component of the Walsh furniture purchase (\$15,057.13) is attributable to items that will remain at Walsh after the 2020-2021 school year. These items are necessary to accommodate the additional teaching positions and current instructional methods.
 - Additional classroom furniture purchases for elementary schools that are attributable to 2020-2021 projected student enrollment growth and additional teaching positions is proposed to be paid from General Fund 199 (\$34,638.66).
 - In an effort to further update the learning spaces in the libraries at Coder, McCall, and Stuard, it is proposed that General Fund 199 provide additional funds in the amount of \$26,414.18 to supplement the furniture replacement monies available in the 2019 bond program. These additional funds will greatly enhance the library environments as they transition into more of an instructional hub for each of these campuses.
- To ensure best pricing and value, the District utilized the Educational Purchasing Cooperative of North Texas (EPCNT) cooperative purchasing method to obtain pricing from Lone Star Furnishings, LLC.

FISCAL INFORMATION:

Phase 2 amount of \$358,681.40, coupled with the Phase 1 purchase, will exhaust the \$1,800,000.00 that was included in the 2019 Bond Program for furniture replacement at

ALEDO ISD BOARD MEETING TEMPLATE

Coder, McCall, and Stuard Elementary Schools. \$37,315.72 will be allocated to Elementary School No. 6 furniture, fixtures, and equipment in the 2019 Bond Program. \$76,109.97 (\$15,057.13 plus \$34,638.66 plus \$26,414.18) will be paid from available budget funds in General Fund 199.

ATTACHMENTS:

Quotes from Lone Star Furnishings, LLC for Phase 2 Refresh at Coder Elementary School, McCall Elementary School, and Stuard Elementary School (classrooms and libraries), and for Walsh Elementary School.

ADMINISTRATIVE RECOMMENDATION:

The Administration recommends the Board of Trustees approve the proposals submitted by Lone Star Furnishings, LLC for the purchase of furniture for Coder Elementary School, Stuard Elementary School, McCall Elementary School, and Walsh Elementary School as presented.
