Curriculum and Instruction

In-Service

The staff had two days of inservice on November 1st and 2nd. The training was provided by Southeast Regional Resource Center. The in-service focused on strategies that teachers can use to provide accommodations and modifications in compliance with special education students' individualized education plans. Overall, the feedback from those two days was very positive.

Hearing and Vision Screening

This month Stacey Mank and Annelle Maygren conducted hearing and vision screenings for all our students. They volunteered their time to help us with this important screening and we sincerely appreciate them.

Curriculum and Instruction

Early this month, teachers worked in groups and used the "notice and wonder" protocol with the fall benchmark MAP data. They explored the many different available reports together as they analyzed data.

The CHS welding students fabricated a 25-foot wood trailer from a 40-foot mobile home frame. This project took three weeks, involved all 3 welding classes, and was done for a community member of Craig.

Biology students are working on research projects on a bacterium of choice. Students are determining the symptoms, common names, route of infections, treatment, duration, preventions, vaccine, and illustrating pictures of their chosen bacteria does to its victims. This will culminate in a "bacteria walk" where students will view each other's work.

Activities and Events

Annual Elder Thanksgiving Dinner

Due to COVID, the annual Elder Thanksgiving dinner will be a takeout dinner this year. Students and staff will eat at CHS. It will be held on Tuesday, November 23th. Mrs. Hughes will work with National Honor Society and Student Council members to prepare and serve the meal. Our freshman will be making placemats, our sophomores will be designing centerpieces, and our juniors will oversee making cards for Elders, as our seniors help set up and serve.

Swimming

The Craig Panthers Swim Team attended state in Anchorage where they performed phenomenally. Ethan took 4th in the 100 free, and 13th in the 200 free. Wes was 2nd in the 100 back and 7th in the 50 free. Grant was 15th in the 100 back and 7th in Grant was 15th in the 100 back and the boys relay got 8th. Manami was 16th in 100 back, Taiya 15th in 100 breast and Ada was 11th in 100 fly. Ethan, Wes and Ada broke school records.

This season the CHS swim team dedicated themselves to being known as the team of kindness across the region. They were rewarded for the dedication to gratitude by bringing home the regional and state sportsmanship awards. Go Panthers!

Volleyball

The volleyball team took on Klawock two weeks ago and were victorious over them at home. Last week, their tournament was cancelled, so AD Thain quickly arranged for a jamboree in Craig. Petersburg, Wrangell, and Klawock attended. Our team was able to get 3.5 hours on the court. This weekend, we take on Klawock. Going into this weekend, Craig VB is seeded 3rd in the region. We wish them the best of luck on the remainder of their season.

Wrestling

Wrestlers headed to ACS last weekend, and it was their first match of the season. Keegan placed 4th and 140, Dalton placed 6th at 140, and Bryant took 6th at 170. This weekend the wrestlers head to Ketchikan.

Archery

The CHS archery team has 13 participants ranging in age from freshman to seniors. CHS plans on having a NASP State shoot the second week in December

Basketball, Cheer and Drumline

Basketball season is upon us. The basketball, cheer and drumline teams will begin formal practice on December 1st.

Academic Decathlon

The opening meet for ACDC will be held in Juneau on December 9th & 10th. They will be competing with Ketchikan and Juneau. This year's theme is Water.

Winter Concert

The CHS winter concert will take place on December 16th at 6:30 p.m. in the CHS Auditorium. The high school choir and band will be performing as well as the middle school band. We are looking forward to their performances.

Senior Night

This Friday, Booster Club will honor our five seniors who played fall sports. We are thankful to Lonnie and Carrie Dawn for leading the Boosters.

Climate and Connections

CHS Spirit

Our Student Council has put on some fun and entertaining pep assemblies this year. Our next is to honor the volleyball team on November 16, followed by the wrestlers on December 7th.

Appreciations

- **Thank you to the Craig Booster Club for organizing senior night!**
- **Thank you to Ms. Hughes, the student council, and NHS for helping to organize the Thanksgiving feast.**
- **Thank you to Mr. Thain for his tireless efforts as AD.**
