

**Monaco Elementary School**  
**School Board Communication**  
**December 2013**

**WOW!!** What a start to **December!!** Ice everywhere!

**MES Choir** performed for parents and friends on the evening of the 3rd. The production, *Lights, Camera, Christmas*, was quite a success! They are traveling to **Stone Briar Mall** in Frisco to perform for the holiday shoppers and then some fun time at **GattiTown** all to take place on the 17th. Encore performance of their production will be performed for the pleasure of our student body and staff on the morning of the 19th.

Congratulations to our **UIL Teams!!** They came in **2nd** at the Argyle Invitational and we are expecting great results in the **District Meet** coming up in Princeton.

**PTO Moms** treated our campus to a **Potato Bar** to help usher in our **5 Days of Christmas!** It was a little delayed because of the weather, but we were able to pick right up where we left off. **Faculty and Staff** will be treated to little “gifts” each day. **Donut holes** on sticks and **wassail** started out the week of Celebration! **Waffle Day** will end the **5 Days of Christmas!**

We will have our campus **Christmas Celebration** at **Mom’s on Main** after school the 18th. We drew names and plan to purchase a toy that our secret person may have played with as a child. Then the toys will be donated to area children who may not get a Christmas otherwise. Our **District Party** will be on the 19th at 1 pm at the Middle School.

Lots of Class celebrations will be on the 20th. Early Release will be on the 19th and 20th.

**Christmas Holidays** begin on the 21st.

***We at Monaco Elementary wish all of you a very Blessed Holiday Season!***
